

EXCO NEMA 3R MANUAL TRANSFER

SWITCHES: **EX-DTNF-200A-N3R**

FEATURES

200AMP Non-fused NEMA 3R Manual Transfer Switch. The enclosure is NEMA 3R rated for protection against water, moisture, and debris. This rating allows the non-fused to be used in indoor and outdoor areas. Enclosure can be customized to your need and specifications, some examples are:

- Adding single pole camlock connectors for quick connections
- adding heaters for cold environments
- Adding powering meters
- Aiding alarm relays for trip notification down stream
